

SJSU Scholars in Science Reference Letter

To the applicant. Please fill out everything above the bolded line prior to giving this form to your selected evaluator.

I hereby (waive / do not waive) access to this letter or recommendation.

Circle your choice

Applicant's Name: _____
Signature _____ Date _____
Last First MI
SJSU ID: _____

The student listed above is applying for a Scholars in Science Scholarship at San Jose State University and has requested a letter of recommendation from you. Please include your comments in the space below or on a separate sheet. You can also just email me your comments. Make sure the subject line has the student's name and that the email contains your name and title.

Please mail the form to: Dr. Karen Singmaster, S³ Program Director, Chemistry Department, San Jose State University, San Jose, CA 95192-0101 (or you can give the letter to the student, sealed in an envelope and with your signature across the back)
